Our aims are to raise awareness of Kabuki Syndrome by providing information, advice and resources. To organise and publicise family events and to provide a system of grants for the purchase of equipment which families effected by Kabuki Syndrome may need but are unable to access from other sources.

Kabuki UK is run by volunteers and your donation will go directly to helping us to fulfil those aims. To make your gift go even further simply tick the box below and Kabuki UK will receive an extra 25p for every £1 donated. Thank you!!!
